FYI—we are positioned to send a Bristol and Cargill one up by COB, but will need to copy you for comment at the same time.

Just to clarify for those of you who are working on preparing factsheets for multiple hearings:

●■■■■■■■■ This is for the Administrator's **Agriculture** hearing on **January 26**. Not the OMB budget hearing.

Also: office assignments are below in red. I realize this may have been confusing since I sent one message out to multiple offices.

I realize getting us something in the next few hours may be very difficult. If you could prioritize these factsheets over the others I requested, however, and get them to us as soon as you can (today or Friday), that would be great.

Thanks again for all your hard work, especially under these tight timeframes.

All –

OCIR let us know that they are particularly interested in getting the OW/Regional factsheets for the hearing (as opposed to the purely OW ones) as soon as possible. For us that would be:

**Redacted - Non-responsive**

•□□□□□□□ Cargill: OWOW

**Redacted - Non-responsive**

## **Redacted - Non-responsive**

If it's possible to get these wrapped up sooner than Friday, we can pass them along to OCIR so they can run them through the traps on their side.

Please let me know what you think is feasible.

Thanks,
